If you are not a UK tax payer *and* are donating from a country other than the UK, please consider donating directly to the Section 21 non-profit company in South Africa that has the same goals and same name, Jabulani Rural Health Foundation. If the donation/deposit is specifically intended for a project (e.g. nutrition/HIV clinic support etc.) then please mark it as such in the reference part. If not, we will allocate it to a general fund initially and then reallocate it and use it as the need arises.

If you require a receipt either immediately or a statement at financial year end (end February every year) then please email us to request one. We will formally report back to donors via our annual report.
